Cinécraft Productions presents Flashback Friday.

One of the best ways to reach your employees is a video communication. Now we are doing them over a live stream. Back in the 1980s, it was a major operation to film, edit, and distribute.

Cinécraft Productions presents Flashback Friday.

I'm Chuck Jones. The task that Bill Tyler and I have today is to report to you on the revisions and/or changes that have occurred in the uniform agreement arising out of the negotiations which we recently concluded in Columbus, Ohio. As perhaps you know, Bill and I were members of the negotiating team, and what we will try to do is share with you our insights into the various revisions and changes that have occurred.
